

Petition to Save Wuruma Dam Free Camp

We the undersigned need Wuruma Dam to remain as a free camp, without time limits or payments required.

We believe that Monto and Eidsvold will both suffer financially if there are changes to Wuruma Dam.

The loss of free campers at Wuruma Dam may mean the closing of Businesses in both Monto and Eidsvold.

We understand and support the enforcement of the rules and regulations that are in place at Wuruma Dam.

We petition the North Burnett Regional Council and Sunwater to leave Wuruma Dam as it is, that the Towns of Monto and Eidsvold may continue to reap the benefits of the tourist trade.

Principal Petitioner *Jamie Harris, Jamie's 4x4 Tag-Along Tours, P.O. Box 148 Monto 4630*
